Dear Mr. Ploeg,

I wish to inform that we have forwarded your letter dated 1 June 2019 for the immediate attention of our government.

The Embassy of Malaysia takes note of the Foundation's concern and would like to reiterate the Malaysian Government commitment to the JIT process.

Malaysia will continue to work together with the Dutch government and other relevant parties in seeking justice for those who lost their lives in the tragedy and finding solace for their loved ones.

Malaysia, as the rest of other JIT members, is equally committed to ensure the process is transparent, credible and effective.

Thank you.

Yours sincerely,

AHMAD NAZRI YUSOF
